## Personal profile

| | |
|---:|:---|
| Nationality | Vietnamese |
| Date of Birth | 01-10-1988 |
| Gender | Male |
| Marital status | Single |

I had four years studying and practicing about Math and Computer Science at Hanoi University of Science, more than 2 years studying at Kiel University of Applied Sciences and some years working for Vietnamese, French and German companies. I am enthusiastic about learning new things and I endeavour my best to complete them. My own knowledge background has made me confident in working as an independent worker as well as a member of a team. Hence, my professional qualifications and skills appear to be well suited to your company's requirements.

## Interests

- IT books
- Travelling
- Football
- Skiing

- Music
- Films
- Swimming
